

## **Ignite the Future of UCO's Real Estate Program!**

Support the next generation of industry leaders by sponsoring the 2026 Commercial Real Estate Summit, Oklahoma's premier event for education, networking, awards, and career development.

Your sponsorship helps sustain Oklahoma's only four-year accredited real estate program, providing scholarships and hands-on learning opportunities for students entering the commercial real estate field.

Join us for a full day of inspiration and connection as we continue to elevate the Summit experience with innovative sessions, engaging discussions, and the Oklahoma Real Estate Hall of Fame celebration.

Each sponsorship level includes a table at our Career Fair, offering direct access to talented students and professionals across the industry.

If you'd like to participate without a full sponsorship, the Exhibitor/Table option is available for individual participation. Together, let's shape the future of real estate in Oklahoma.
